[Primeira Parte]

In case you haven't noticed
Well, everybody's tired
And healing from somebody
Or something we don't see just right

[Pré-Refrão]

Boy, come on, put your lipstick on
(No one can tell you nothing)
Come on and walk this way through the fire
(Don't care what's on their mind)
And if you find yourself in a dark situation
Just turn on your light and be like

[Refrão]

Yes, and?
Say that shit with your chest and
Be your own fucking best friend
Say that shit with your chest
Keep moving like: What's next?
Yes, and?

[Segunda Parte]

Now I'm so done with caring
What you think, no, I won't hide
Underneath your own projections
Or change my most authentic life

[Pré-Refrão]

Boy, come on, put your lipstick on
(No one can tell you nothing)
Come on and walk this way through the fire
(Don't care what's on their mind)

And if you find yourself in a dark situation
Just turn on your light and be like

[Refrão]

Yes, and?
Say that shit with your chest and
Be your own fucking best friend
Say that shit with your chest
Keep moving like: What's next?
Yes, and? (Yeah)

[Ponte]

Ab Bb7 Ab
My tongue is sacred, I speak upon what I like
Bb7 Ab
Protected, sexy, discerning with my time (my time)
Bb Ab
Your energy is yours and mine is mine (it's mine, it's mine)
Bb
What's mine is mine

Ab-
My face is sitting
I don't need no disguise (I don't need no disguise)
Don't comment on my body, do not reply
Your business is yours and mine is mine
Why do you care so much whose- I ride? Why?

[Refrão]

Yes, and? (Yes, and?)
Say that shit with your chest and (say that shit with your chest)
Be your own fucking best friend (oh, be your own, be your own)
Say that shit with your chest (say that shit with your chest, baby)
Keep moving like: What's next?
Yes, and?
Yes, and? (Ooh)
Say that shit with your chest (ooh) and
Be your own fucking best (be your own) friend
Say that shit with your chest (mmm, mmm)
Keep moving like: What's next?
Yes, and? (Yeah)
