

Ariane - De A a Z

tom: E

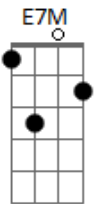

Ele estava antes do início
 Era a voz me chamando de amigo
 Era o príncipe libertador
 Que desceu do palácio pra sentir minha dor
 Era um menino enfrentando um gigante
 Era o homem, o fogo, a nuvem no monte
 Eu distraído não sabia o seu nome

Então nasceu só pra se apresentar
 Hoje posso lhe chamar Jesus, Jesus
 Cada ponto, cada vírgula da história
 Toda poesia, todo conto, toda prosa
 É sobre Jesus, o Cristo redentor
 Tanto desertos, quantas lágrimas chorou
 Foi homem, menino, foi servo e senhor
 De A a Z, tudo por você
