

Arlindo Cruz - Brasil Moleque

Tom: F

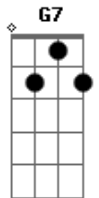

Brasil tua voz, tua raça, teu jeito moleque de viver
 Reúne amor, simpatia, paixão, alegria e muito prazer
 Brasil arremessa pra longe a tristeza
 Que teima em ficar por aqui
 Se inspira num lindo poema que um dia eu ouvi
 Solta teu canto em todos os cantos
 Que o mundo virá a ti
 Um curumim de olho azul
 Falou que foi Nego Zulu

Quem trouxe a mãe da batucada
 E riu quando um cafuzo cochichou
 Que um branco fez juras de amor
 A negra cor da madrugada
 Então Brasil
 Pode contrair que o povo brasileiro
 Que sofre tanto, mas é companheiro
 É bom guerreiro pra lutar
 É bom parceiro pra cantar
 E verdadeiro pra te amar Brasil...
