

Arlindo Cruz - Festa o Ano Inteiro

Tom: F

Intro: Dm A7

O berimbau fez farra, quando ouviu a guitarra

O caxixi sacudiu, o realejo sorriu

Velho cavaco tão forte, que suingou sul e norte

E embalou quem ouviu, essa mistura é Brasil

Pandeiro me falou agora

Faz tempo que a cuíca chora

Viola no sertão, no surdo a marcação

Bandola arredondou por fora

O tamborim ficou louco, quando o tantã bateu côco

O violão assistiu, quando a marimba aplaudiu

O clarinete e a flauta, se combinaram na pauta

E o piston reclamou, quando o trombone avisou

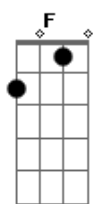

Que o sax que vem soprano

Fez um dueto com piano

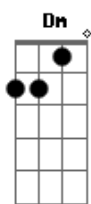

E rola no terreiro um som bem brasileiro

Brasil é festa o ano inteiro
