

# Arlissa - I Hate Giving You Everything

Tom: Ab  
 Intro: Ab Fm  
           Ab Fm Db

Ab                          Db  
 I'm runnin' out of room

Fm  
 I'm runnin' out of money

Ab                          Db  
 I gave it all to you

Fm                          Db  
 But that don't make you love me

Ab                          Fm  
 I hate giving you everything

Ab                          Fm Db  
 Feels like I'm losing everything

Ab                          Db  
 So what am I to do

Fm  
 If you don't ever come through

Ab                          Db  
 I'm givin' up on you

Fm                          Db  
 But I don't really want to

Ab                          Fm  
 I hate giving you everything

Ab                          Cm Db  
 Feels like I'm losing everything

Ab  
 You made it real, made it real

                          Fm  
 When you left my life

                          Db  
 Then messed it up the day you tried to make it right

Ab                          Fm Db  
 I hate giving you everything

                          Ab

How does it feel, does it feel  
 When you make me cry

          C                          Db  
 But I'm the one who still needs to apologise

Ab                          Fm Db  
 I hate giving you everything

          Bbm  
 Could I live without you

          Fm  
 Could I be without you

          Bbm                          Fm  
 Cause I think about you all the time

          Bbm  
 Could I live without you

          Fm  
 Could I be without you

          Ab  
 Are you mine

Ab                          Fm  
 I hate giving you everything

Ab                          Fm Db  
 Feels like I'm losing everything

Ab  
 You made it real, made it real

                          Fm  
 When you left my life

                          Db  
 Then messed it up the day you tried to make it right

Ab                          Fm Db  
 I hate giving you everything

Ab  
 I'm runnin' out of room

Fm  
 I'm runnin' out of money

Ab  
 I gave it all to you

Fm                          Db                          Ab  
 But that don't make you love me
