

Armandinho / Trio Elétrico - Manifesta

tom:

Intro: D G D A7 D

O som do Hawaí já era

Mexicano quimera

O fado de cristal nunca fez mal

Também o passo doble

Já passaram para trás

E até o tango não se ouviu mais

Som do Trio guitarra baiana no ar

Frevo quente da Bahia

Não preciso do rock

Só preciso do toque

Envolvente legal

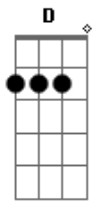

Para o meu carnaval

Vamos cantar

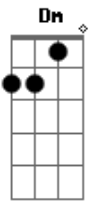

Vamos dançar

Nossa música popular
