

Armando Manzanero - Voy a Apagar La Luz

Tom: A

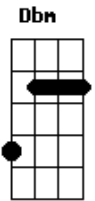

Voy a apagar la luz
 para pensar en ti,
 y así dejar SOÑAR mi imaginación.
 Ahí, donde todo lo puedo,
 donde no hay imposibles,
 qué importa vivir de ilusiones
 si así soy feliz.

Pero cómo te abrazaré,
 cuanto te besaré,
 mis más ardientes anhelos
 en ti realizaré.
 Te morderé los labios,
 me llenaré de ti
 y por eso voy
 a apagar la luz
 para pensar en ti.
