

Armored Dawn - Sail Away

```
Tom: C
Am
It's time to go
Far away
Far away from home
Just let it go
I wash away
I wash away the pain
of being alone
Rainy days and nights
My heart went cold
I felt the fear inside
Nothing to hold
I sail away
     G
I sail away
I sail away
My soul will rise
Like eagles fly
It makes me wonder
Am F
I sail away
I sail away
I sail away
And now I can fly
Fly away
Fly away
On my own
Let it die
I wash away
```
