                                                                           D
                                Α
                                                                                      Α
                                                                                                  Bm
There's nothing below and there's nothing above
                                                            Oh I took my place at the back of the crowd
                                                                             D
                                                                Bm
                                                                                       Α
                                                            Baby I couldn't see, but at least it was loud
G
And I've been going through changes
                                                               Bm
                                                                              Bm
                                                            At least it was loud
I've been going through changes
D
                                                            G
I've been going through changes
                                                            And I've been going through changes
                 Bm D A G
                                                            Bm
With nothing at all.
                                                            I've been going through changes
                                                            D
(Bm D A G)
                                                            I've been going through changes
    Bm
                  D
                                      Bm
                                                            G
                           Α
It's hard to accept what you don't understand
                                                            And I know that I needed changes
      Bm
                  D
                          Α
                                              Bm
                                                            Bm
And it's hard to launch without knowing how to land
                                                            But not this, this is not painless
  Bm
                    D
                           Α
                                        Bm
And how, when it burns, you can't change a thing
                                                            No, this is not painless
                      D
                                              Bm
                                                    Bm
     Bm
                             Α
You can soften the blow, but you can't stop the sting
                                                            Bm D
                                                                    AG
                                                            0h...
                                                                  0ooh...
G
I've been going through changes
                                                                 Bm
