Emaj9

Petricor
Que inunda mi interior

A7M

Con una esencia que calcó
De tu corazón.

Emaj9

Luces que
En contacto con tu piel

A7M

Y la fragancia del café
Me hicieron recordar.

Am7 D7 G7M Em

Las pisadas que quedaban

Am7 D7 G7M Em

En la arena, tú descalza

Am7 D7 G7M Em

Una simple brisa pasa

Am7 D7 G7M C7 Gb7 Gb7 Gbm7 B7(b) B7

Y se lleva mi es...pe... ra.....n...za.....

Emaj9

Quiero ver
Las nubes y el atardecer
Las calle donde suspiré
Y no miraste atrás.

Emaj9

Cómo hablar
Del día que empecé a amar

A7M

Las largas caminatas
Verte sonrojar.

Am7 D7 G7M Em

Con el viento en tus mejillas

Am7 D7 G7M Em

Me sumerjo en tus pupilas

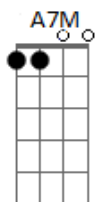

Am7 D7 G7M Em

Navegando en esa estela

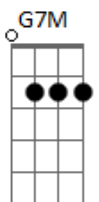

Am7 D7 G7M C7 Gb7 Gb7 Gbm7 B7(b) B7

Me pierdo en la lu...na lle.....na.....
