

Arrows To Athens - Used to Be

Tom: **Bb**

Intro: **Bb**

Take a **Bb** breath; take a long look **F** around
 Before you **Gm** step
 'Cause the **Eb** tide is coming
 Swallowing the **Bb** ground-
 And there's **F** no way to tell if we will **Gm** drown tonight
 Or we'll be **Eb Eb7** found tonight

Come in **Bb** close; if the **F** current gets us
 Then it gets us **Gm** both
 And we can't wait here anymore **Eb**

So if the **Gm7** waves come, let 'em **Eb7** take us
 As they cover you and me, and they pull us underneath **Bb F F**
 I hope that **Gm7** fate will forgive us for tempting the sea **Eb Bb F**
 I hope that **Gm7** they won't forget us **Eb7 F**
 But we can't go back to the way it used to be **Bb F**
 (**Gm Eb**)

Take it in; take a good look at **Bb F**
 What it might have been. **Gm**
 As we're swept into the water from the shore **Eb Bb**
 Because there's **F** no way they can tell us that we can't have **Gm** more

Eb
 Because we can have more

As the **Gm7** waves come, let 'em **Eb7** take us
 As they cover you and me, and they pull us underneath **Bb F F**

I hope that **Gm7** fate will forgive us for tempting the sea **Eb Bb F**
 I hope that **Gm7** they won't forget us **Eb7 F**
 No we can't go back to the way it used to be **Bb F**

So certain, where it would take us **Eb Bb F Gm7**
 So sure that we were never lost; **F Bb Eb**
 To notice whether we'll be drowned tonight or found tonight **Eb**

So as the **Gm7** waves come, let 'em **Eb7** take us
 As they cover you and me, and they pull us underneath **Bb F F**
 It takes the shape of who will save us **Gm7 Eb7**
 When it leaves it's hard to know **Bb**
 But I will not let you go **F F**

I hope that **Gm7** fate will forgive us for tempting the sea **Eb Bb F**
 I hope that **Gm7** they won't forget us **Eb7 F**
 No we can't go back to the way it used to be **Bb F**
 (**Gm Eb Bb F**)

I hope that **Gm7** they won't forget us **Eb7 F**
 No we can't go back to the way it used to be **Bb F Eb**
