

# Art Popular - Dança do Patati

Tom: G  
Intro: G D7

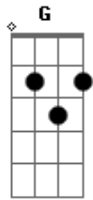

G D7  
Vamo lá criançada imitando o macaco  
Passando o passo patati patacolá  
Com as mãozinhas tralalá para lá e pra e pra cá  
Sem perder o passo patati patacolá  
Pulando que nem o canguru e o sapo  
Passando o passo patati patacolá  
De novo de novo de novo  
Passando o passo patati patacolá.....é

A perereca tá fugindo da cueca tá pulando a janela  
E o sapo vai virar lelé com o danado do chulé  
Olhe aquela estrela lá do céu e faça seu pedido  
Roda e dá um grito  
Passando o passo patati patacolá, patati patacolá  
Acabou!!!! Não  
Tá bom!!!! Sim  
Essa dança só acaba se o papai e a mamãe mandar  
Ou a luz se apagar.....[Volta no começo]
