Meu anjo vá buscar
Aquele que fugiu de mim
A noite acabou assim
Um lobo caçando paixão
Meu anjo vá buscar
Meu mal meu bem a tentação
Nos quatro cantos do salão
Convida ela pra dançar

Volta e lembra da nossa história a revolta
Suas broncas tão cheias de glória
de tudo eu sinto sua falta
De tudo, em tudo
Ouvir o que você falava
Volta, volta
Volta pra mim a música é nossa
Volta pra mim romântica ou valsa
A nossa letra, nossa história
Volta pra mim, sambar agarradinho
Volta, volta
Meu anjo
