

# Arthur da Silva - Movimento

tom:

Intro: Am F E Am  
Am F E

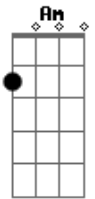

Como é que eu faço  
Pra te rever qualquer dia?  
Não quero mais letargia  
Quero chão, dança e tambor

É forte a noite  
Eu, que andei pela lua  
Tropecei, dancei na rua  
E me embriaguei na flor

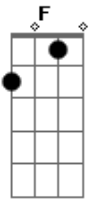

No movimento

Tua mão que só navega  
Quando o olho não renega  
Os cabelos e o paladar  
E os pés no piso  
Velho chão de Belle-Époque  
Correm como um forte choque  
E se cruzam quando eu  
Vejo a tua cara toda suja  
Me perco nos teus olhos profundos  
Procurando o que eu não quero encontrar  
Eu vou te guardar no meu bloco-de-nota  
Eu vou te guardar no meu bloco-de-nota
