

Arthur da Silva - Movimento

tom:

Intro: Am F E Am
Am F E

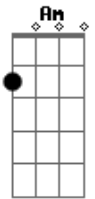

Como é que eu faço
Pra te rever qualquer dia?
Não quero mais letargia
Quero chão, dança e tambor

É forte a noite
Eu, que andei pela lua
Tropecei, dancei na rua
E me embriaguei na flor

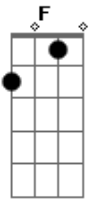

No movimento

Tua mão que só navega
Quando o olho não renega
Os cabelos e o paladar
E os pés no piso
Velho chão de Belle-Époque
Correm como um forte choque
E se cruzam quando eu
Vejo a tua cara toda suja
Me perco nos teus olhos profundos
Procurando o que eu não quero encontrar
Eu vou te guardar no meu bloco-de-nota
Eu vou te guardar no meu bloco-de-nota
