

Arthur da Silva - Vertigens

tom:

Intro: Bm G Em Bm A

Talvez penses

Que eu já não lembro mais

Das vezes em que minha boca

Passeava

Nas vertigens da tua pele

E desejas

O infinito e mais um pouco

Talvez penses

Que eu já não quero mais

Que o relógio carregue o tempo

Para trás

Só para ter tuas pernas

De novo a me amarrar

Feito boca de lobo

G
Mas eu sei que procuras

Gm
Por um novo disposto

D B7
À loucura

Em
De se enveredar

A D Gb
Pelas tuas curvaturas

Bm
Por isso vou me contentar

A G
E também vou me aventurar

Ab
Não vou esperar um cometa passar

A Bb
Pra que eu finalmente consiga amar

Bm
Mas te desejo tudo azul

A G
Ou qualquer cor que preferir

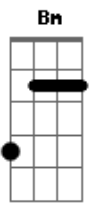

Ab
Espero do fundo do peito

A
Que estejas feliz

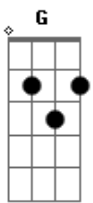

Bb
Onde quer que tu possas estar

[Final] Bm A Bm A
Bm A Bm A
