

Arthur Espíndola - Pra Parar de Sofrer (part. Péricles)

tom:
C

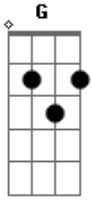

Pouco menos de um ano
Três meses e uns dias que te conheci
O encanto acabou
Disse na minha cara
Perdeu toda graça
Já foi, game over
A fila andou
Me deixou destruído
Pior que bagaço de cana
Em final de feira no chão
Quanto arrependimento

Esquecer custou tempo
Muita terapia de copo na mão
Fiquei solteiro voltei pra zoeira (zoeira)
Me encontrei ao som da pagodeira (êra)
Era o que eu mais precisava
Samba e cerveja gelada
Solto pra alguém me pegar
E aí, vamo lá
Pra parar de doer
Pra parar de sofrer pra parar
Ê, pra parar
Pra parar de você
