

Arthur Martins - Reino da Esperança

tom:

D

Intro: Gbm Db7

Todo mundo quer subir
A escada de Jacó

Ver do topo a terra baixa
Chegar no degrau maior

Todo mundo quer ser um
E ninguém quer ser um só

Lá no reino da esperança

O de baixo é o maior

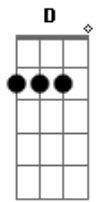

Foi o Rei quem falou
Quem quiser ser o primeiro

Terá de servir o pão
Do amor tão verdadeiro

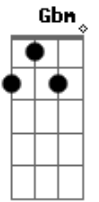

Foi o Rei quem falou
Quem quiser contar vitória

Tem de se perder no amor
Rejeitar a própria glória
