

# Ary Lobo - Quem Encosta Em Deus Não Cai

tom:

Intro: E

Senhor

Me ajude

Me ajude a caminhar

Me cubra com vosso manto

Quero um raio do vosso amor

Para iluminar meu lar

Tenho três barrigudinhos

Cada um mais engraçado

Minha vida

Meus amores

Quero ver todos criados

Quem encosta em Deus não cai

Eu sempre pensei

Pensei assim

Quando o mal vem eu já sei

O bem não demora a vir

Sou bom filho

Bom amigo

E da memória não sai

Hoje meu maior desejo

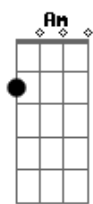

Seu doutor

É ser bom pai

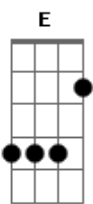

Senhor

Me ajude
