tom: G

D
Oh will you answer this time

Like you tend to do

G
Whenever i get too real
D
And open up bout how i feel
Em C
Then suddenly you disappear

Em D
Oh why would you think that?

G D
How could you think it's okay to come back
Em
And tell me that you miss me
C
And tell me you've been dreaming of me
G D
So much that you didn't say
Em
When you had the chance to
C
Do you even have a clue?

G
I've dreamed about you
D
Way too many times
Em C
I've cried at the sound of your voice
G
I've waited patiently
D
For a text that wouldn't come
Em C

I've poured my heart out to you
Em D
So why the hell would you

G D
How could you think it's okay to come back
Em
And tell me that you miss me
C
And tell me you've been dreaming of me
G D
So much that you didn't say
Em
When you had the chance to
C
Do you even have a clue?

Em C
What goes on inside that head of yours?
