

Aryy - I Was Wrong

tom:
 D
 I know I shouldn't stare
 A
 At the sun like this
 But I just can't help it
 D A
 I know I should cut down on sweets
 And eat my veggies
 Gbm G
 I know that I should know better by now
 Gbm G
 But your silence has never been so loud
 D
 You're the thing
 Gbm
 I can't stop thinking about
 And you'd think
 Bm
 That I'd be over it by now
 G Gm
 Well I thought so too
 D A
 How can I choose to forget about you
 When I didn't choose to
 D
 Feel stupid
 A
 Whenever I'm around you
 Or when you speak
 Gbm
 My name
 G

Yeah I should know better by now
 Gbm G
 Cuz your silence has never been so loud
 D
 You're the thing
 Gbm
 I can't stop thinking about
 And you'd think
 Bm
 That I'd be over it by now
 G Gm
 Well I thought so too
 Sometimes
 A
 Even I believe that
 G
 I don't think of you
 Anymore
 But
 D
 You're the thing
 Gbm
 I can't stop thinking about
 And you'd think
 Bm
 That I'd be over it by now
 G Gm
 Well I thought so too
 Well I thought so
 [Final] G Gm
