

Asaf Avidan - Her Lies

Tom: F

(com acordes na forma de Capotraste na 5ª casa C)
Intro: Am Dm Am Dm

She said "baby, get down on your knees"

I said "babe if you insist"

She said "why do you keep seeing things you know that don't exist"

I said "baby, I love you, now what can I do,

I'll probably love you till the day I die"

She said "well pretty honey, if that's true than give me both them , pretty eyes"

I said "baby, you can have them - you can have my eyes"

See I was thinking if she took them I won't see her lies

But my baby ? I can taste her lies.

But my baby ? I can taste her lies.

(Dm Am Dm)

She said "baby, get into this sack"

I said "baby, I don't know what's there"

She said "all I want to do with you

Is take you with me everywhere"

I said "okay, baby take me everywhere,

Take me through the day, through the night"

She said "oh silly babe, don't you kid with me,

You know I really don't have the time".

Still I said "baby, you can take me" ? and I got right in

See, I was thinking if she took me, I could taste her skin

But my baby, all I taste is her lies.

Oh my baby, all I taste is her lies,

Oh my honey, all I taste is her lies.

(Dm Am Dm Am F E Am F E F E)

I said "baby, you can have them - you can have my eyes"

See I was thinking if she took them I won't see her lies

Oh my baby,

Oh my honey,

I can taste...
