

Asaf Avidan - The Labyrinth Song

(G Am) tom: Cm (forma dos acordes no tom de Gm) Dm Now tell me princess are you strolling through your sacred Capostraste na 5ª casa arove? Dm And is the moon still shining? You're the only thing I'm Evening rises, darkness threatens to engulf us all thinking of But there's a moon above it's shining and I think I hear a The sword you gave me, it was heavy, I just had to lay it down call It's funny how defenseless I can feel here when there's nobody It's just a whisper through the trees, my ears can hardly make around [Refrão] But I can hear it in my heart, vibrating strong as if she shouts Am [Refrão] Oh Ariadne, I'm coming, I just need to work this maze inside mv heart I was blind, I thought you'd bind me, but you offered me a Oh Ariadne, I am coming, I just need to work this maze inside chart Oh Ariadne, I just need to work this maze inside my heart I came here like you asked, I killed the beast, that part of If I'd known that you could guide me, I'd have listened from me is dead the start Oh Ariadne, I just need to work this maze inside my head (G Am) If only I'd have listened to you when you offered me that thread Dm Somewhere up there there midnight strikes, I think I hear the (G Am) Of little drops of water, magnified against the barren wall Everything is quiet and I'm not exactly sure It's more a feeling than a substance, but there's nobody If it really was your voice I heard or maybe it's a door That's closing up some hero's back, on his track to be a man And when I'm in here all alone, it's just enough to let me drown Can it be that all us heroes have a path but not a plan? [Refrão] [Refrão] Am Oh Ariadne, I was coming, but I failed you in this labyrinth Oh Ariadne, I'm coming, I just need to work this maze inside Oh Ariadne, let me sing you, and we'll make each other last Am I wish I had that string, it's so damn dark, I think I'm going blind Oh Ariadne, I have failed you in this labyrinth of my past Oh Ariadne, I just need to work this maze inside my mind Oh Ariadne, let me sing you, and we'll make each other last
