

Asafe Heandel - One In a Million

tom:

G

G

Cadd9

Fear comes to suppress our dreams

You're a mystery and I'm an unknown

Our hands so close, but not together

Love and its scars

Life and its barriers

In a million ways you found mine

Over a million hearts I just want one

Yours is enough for me

I won't break your heart

G Am7 Cadd9

I'll be there where I feel alone

(G Am7 Cadd9)

I'll keep your secrets

I will unravel its mysteries

All I want your love

Having everything means nothing

If I don't have you

(G Am7 Cadd9)

In a million ways you found mine

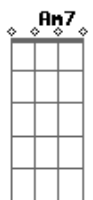

Over a million hearts I just want one

Yours is enough for me
