

Asafe Heandel - Our Prayer

tom:

C

Dear god

Please protect

This relationship

Let time build us

Let the love

We have for

Each other

That is stronger than

Anything that tries to

Tear us apart amen!

That is stronger than

Anything that tries to

Tear us apart amen!

It was your hands

That i chose to be

Next to mine

It was your shoulder

That i chose to rest on

For all my days

That is stronger than
Anything that tries to
Tear us apart amen!

That is stronger than
Anything that tries to
Tear us apart amen!

May not be perfect

But keep us perfect
For each other

May not be perfect

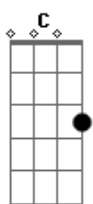

But keep us perfect
For each other

Each other

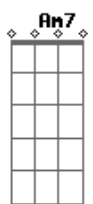

That is stronger than
Anything that tries to
Tear us apart amen!

That is stronger than
Anything that tries to
Tear us apart amen!
