

Asafe Heandel - The Rain Touchs Your Body

tom:
 A
 You came when I least expected
 Those long dark hair
 That simple smile
 We were Just two children
 Time is passing faster than me
 You wonder
 Who is the center of my songs?
 You wonder
 Where do my steps lead ?
 Its hard to act like
 I dont think about you
 Pretend you dont need me
 I'm still here
 Jealous of the way
 The rain
 Touchs your body
 The way the rain
 Touches your body
