

# Asafe Heandel - The Rain Touchs Your Body

tom:  
 A  
 You came when I least expected  
 Those long dark hair  
 That simple smile  
 We were Just two children  
 Time is passing faster than me

D E  
 You wonder  
 Who is the center of my songs?  
 You wonder  
 Where do my steps lead ?

D7M E  
 Its hard to act like  
 I dont think about you  
 Pretend you dont need me  
 I'm still here

Gbm E D  
 Jealous of the way  
 The rain  
 Touchs your body  
 The way the rain  
 Touches your body

D E  
 You wonder  
 Who is the center of my songs?  
 You wonder  
 Where do my steps lead ?

Bm D  
 You should know  
 What remains for you to decide  
 You should know  
 What remains for you to decide

( Gbm E Bm )

E Dbm  
 Whether to let our story die  
 Or flourish

B Gb  
 You wonder  
 Who is the center of my songs?  
 You wonder  
 Where do my steps lead?

B Gb Abm  
 It's you  
 Always been  
 It's you  
 Always been you
