

Asafe Vieira - Champagne Problems

tom:

Bb

Bb
You heard some assumptions about me
Gm
That I've forgotten you, that I'm snotty **F**
Eb
But yesterday I've gone through your town
And I was starring like a clown
Bb
You probably hate me right now
Gm **F**
Cause I said no when you said yes
Eb
And we still talk like a pageant knife
Hurting me like an eternal life
Bb **Gm**
I know I'm not perfect (but baby, please)
Don?t drop my hand while dancing
F
Tell me you love me too
Eb
God, I'm so blue
Bb
I know I don?t love you
Gm
Like in the back of the car
F
But honey I apologize
Eb
Champagne problems I'm living with
Bb
Crestfallen right now
Gm
Still hear your voice and I think you are around
F **Eb**
Baby you know, that song was for you
And you don?t told me your point of view
Bb
You lost the ring that I gave you

Acordes

Gm
Baby this ain?t good behavior
F **Eb**
I forgot that day, I forgot that kiss
That we never did
Bb **Gm**
I know I'm not perfect (but baby, please)
Don?t drop my hand while dancing
F
Tell me you love me too
Eb
God, I'm so blue
Bb
I know I don?t love you

Like in the back of the car
F
But honey I apologize

Champagne problems I'm living with
