

# Asafe Vieira - Listen

tom:  
 Capostraste na 1ª casa **Ab** (forma dos acordes no tom de **G**)

More than a thousand miles  
 I have been lost my sense yuh  
 Going nowhere  
 But I remember you there  
 Talking about my life  
 But I thought that I was right  
 Probably talking when I should hear your voice  
 Sorry, it's my bad and I'm begging you for joy

I can't hear my own sound  
 City's noise is too loud  
 People feel immortal  
 But their love is silence

I listen to you  
 To you  
 I just need one sign

One sign  
 Sorry if I am rude  
 Am I rude?  
 But I'm still alive? Alive?  
 Dunno what to do  
 What to do

With the dragons in my own mind  
 I listen to you  
 To you  
 To you  
 I put on vinyl like classic violins  
 This is my dancefloor and I'm doing my rhythm  
 I am so young to give up for me now  
 Looked up to the sky and I saw my prayer there

People feel immortal  
 But their love is silence

I listen to you  
 To you  
 I just need one sign  
 One sign

Sorry if I am rude  
 Am I rude?  
 But I'm still alive? Alive?  
 Dunno what to do  
 What to do  
 With the dragons in my own mind  
 I listen to you  
 To you  
 To you
