

# Asafe Vieira - Listen

tom:  
 Capostraste na 1ª casa <sup>Ab (forma dos acordes no tom de G)</sup>

More than a thousand miles <sup>D Em Cadd9</sup>  
 I have been lost my sense yuh <sup>D Em Cadd9</sup>  
 Going nowhere <sup>D Em Cadd9</sup>  
 But I remember you there <sup>D Em Cadd9</sup>  
 Talking about my life <sup>D Em Cadd9</sup>  
 But I thought that I was right <sup>D Em Cadd9</sup>  
 Probably talking when I should hear your voice <sup>D Em Cadd9</sup>  
 Sorry, it's my bad and I'm begging you for joy

I can't hear my own sound <sup>D Em Cadd9</sup>  
 City's noise is too loud <sup>D Em Cadd9</sup>  
 People feel immortal <sup>D Em Cadd9</sup>  
 But their love is silence

I listen to you <sup>D Em</sup>  
 To you <sup>D Em Cadd9</sup>  
 I just need one sign

One sign <sup>D</sup>  
 Sorry if I am rude <sup>D Em</sup>  
 Am I rude? <sup>D Em Cadd9</sup>  
 But I'm still alive? Alive? <sup>D</sup>  
 Dunno what to do <sup>D Em</sup>  
 What to do

With the dragons in my own mind <sup>Cadd9 D</sup>  
 I listen to you <sup>D Em Cadd9</sup>  
 To you <sup>D Em Cadd9</sup>  
 I put on vinyl like classic violins <sup>D Em Cadd9</sup>  
 This is my dancefloor and I'm doing my rhythm <sup>D Em Cadd9</sup>  
 I am so young to give up for me now <sup>D Em Cadd9</sup>  
 Looked up to the sky and I saw my prayer there

People feel immortal <sup>D Em Cadd9</sup>  
 But their love is silence

I listen to you <sup>D Em</sup>  
 To you <sup>D Em Cadd9</sup>  
 I just need one sign <sup>D</sup>  
 One sign

Sorry if I am rude <sup>D Em</sup>  
 Am I rude? <sup>D Em Cadd9</sup>  
 But I'm still alive? Alive? <sup>D</sup>  
 Dunno what to do <sup>D Em</sup>  
 What to do <sup>D Em Cadd9</sup>  
 With the dragons in my own mind <sup>D</sup>  
 I listen to you <sup>D Em Cadd9</sup>  
 To you <sup>D Em Cadd9</sup>  
 To you
