

# Asaph Borba - Força Minha

Tom: C

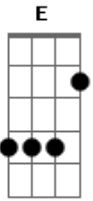

Eu te amo, o Senhor, força minha  
 Porque Tu es minha rocha e minha cidadela  
 E o meu libertador  
 O meu Deus e o meu rochedo em quem me refugio  
 O meu escudo, a forca da minha salvação

Tu que fazes resplandecer a minha lâmpada  
 Tu, Senhor, derramas luz nas minhas trevas  
 Vive o Senhor, e bendita seja a minha rocha  
 Exaltado seja o Deus da minha salvação  
 Sei que vive o Senhor, e bendita seja a minha rocha  
 Exaltado seja o Deus da minha salvação
