

# Asaph Borba - O Meu Louvor

Tom: F

O meu louvor eh fruto do meu amor por ti Jesus,  
 De labios que confessam o teu nome  
 Eh fruto de tua graca e da paz que encontro em ti  
 E do teu Espirito que habita em mim  
 Que habita em mim

Ainda que as trevas venham me cercar,  
 Ainda que os montes desabem sobre mim  
 Meus labios nao se fecharao,  
 Pra sempre hei de te louvar  
 Ainda que cadeias venham me prender  
 Ainda que os homens se levantem contra mim  
 Meus labios nao se fecharao  
 Pra sempre hei de te louvar
