

Ásgeir - In Harmony

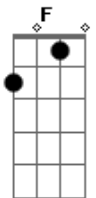

Tom: F

I am a soul, I float amongst the fjords, and I am
 Creating fire which will find you
 Your eyes. I see the ocean deep in your eyes
 Now I, I know that nothing here can harm me now
 I rest inside the hope of what's to come
 Then and now in harmony

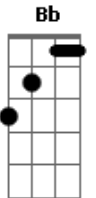

Who is? Please tell me who will fall and who has fallen
 Who hides and wants to be forgotten?
 My eyes. I see the path now clearly to you
 Now I, I see the dream is now becoming truth

This valley overflows my hope, my life
 Then and now in harmony

 Your eyes. I see the ocean deep in your eyes

 I rest inside the hope of what's to come
 Then and now in harmony
