

Ásgeir - Was There Nothing

Tom: B

(com acordes na forma de G)
Capostrate na 4ª casa

Was there nothing but the hush of night?
 Had a boat; don't remember where
 Did you flee from what was said and seen?
 Truth's not true under the light of lies
 Raise your sword and shield

 Was there more than just the prose of night?
 Had a grave; don't remember where
 Beaten down awhile I lift up my prayer
 Raise your sword and shield

Broken promises have set the snare; both sincere and not

Was there nothing but the blessed night?
 Had some gold but don't remember where
 When does faith lift up its head so high?
 Oh, my Lord, won't you please tell me why faith bestows power?

 Was there nothing but the hush of night?
 Had a treasure but I don't know where
 Did you flee from what was said and seen?
 Yes, the good was not without the bad
 Raise your sword and shield
