

# Ásgeir - Was There Nothing

Tom: B

(com acordes na forma de G)

Capostrate na 4ª casa

Was there nothing but the hush of night?

Had a boat; don't remember where

Did you flee from what was said and seen?

Truth's not true under the light of lies

Raise your sword and shield

Was there more than just the prose of night?

Had a grave; don't remember where

Beaten down awhile I lift up my prayer

Broken promises have set the snare; both sincere and not

Was there nothing but the blessed night?

Had some gold but don't remember where

When does faith lift up its head so high?

Oh, my Lord, won't you please tell me why faith bestows power?

Was there nothing but the hush of night?

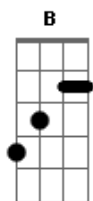

Had a treasure but I don't know where

Did you flee from what was said and seen?

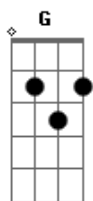

Yes, the good was not without the bad

Raise your sword and shield
