Bitch, you know better, we live M O B
                                                                Money Over Bitches, Murder, I N C
                            tom:
                Bbm (forma dos acordes no tom de Am )
Capostraste na 1º casa
                                                                I got two or three hoes for every V
                                                                And I keep 'em drugged up off that ecstasy
            Αm
Always there when you call [Buck-shots, haha]
                                                                I'm a playground legend like Kirkland Pee-wee
                                                                Name a nigga in the league got more game than me
Always on time
                                                                I play hard, there's so many women I fathered
         Em
                        Am
Gave you my....baby be mine
                                                                Meet 'em with scars and send 'em home hot and bothered
                                      Dm
Always there when you call, always on time
         Fm
                  Am
                                                                Truth or dare, this life ain't apparently fair
                                                                And a love with no glare is a crystal stare
Gave you my....baby
[Refrão]
                                                                But we share somethin' so rare
                                                                But who cares, you care
Dm
Baby, I'm not always there when you call, but I'm always on
                                                                 [Refrão]
And I gave you my all, now baby be mine
                                                         Dm
                                                                Baby, I'm not always there when you call, but I'm always on
I'm not always there when you call, but I'm always on time
                                                                time
                    Em
And I gave you my all, now baby be mine
                                                                 And I gave you my all, now baby be mine
                                                                 I'm not always there when you call, but I'm always on time
C'mon and get a piece of this late-night lover
You know, the one that swing dick like no other (shit)
                                                                 And I gave you my all, now baby be mine
I know, I got a lot of things I need to explain
                                                                Oh I'm, feelin' like ya livin' a, double life
'Cause you don't be comin' home
                    Fm
But baby you know the name and love is about pain
So, stop the complaints and drop the order restraints
                                                                 Sometimes baby, but you're always
Our sex life's a game so bat me down in the paint
                                                                Em
                                                                 On time
Dm
                                                                Checkin' for one time
'Cause I can't wait no more
               Em
'Cause it's about a quarter-past three
And shorty's eyein me
                                                                 You and I, got a special bond together
                                                                We go back like bombers boo, in the coldest weather
I got the Bentley valeted
And I'm just outside of Jersey, past the Palisades
                                                                And when I play you play the same way
                                                                 Fm
And I love to see that ass in hoops and shades
                                                                You freak me baby I fuck you crazy, then I'm gone
        Fm
Hold down on the bed while I'm yankin your braids
                                                                Baby don't really want me to get up and leave off that easy
                                                                 She'll be wakin' up wet for sheezy
Thug style, you never thought I'd make you smile
While I'm smackin your ass and fuckin you all wild
                                                                Remind these bitches to mind they business
                                                                Believe me, this pimp game is very religious
But we share somethin so rare, but who cares, you care
[Refrão]
                                                                And I'm built like the Don Bishop
                                                                Gon' keep this money green Benz and my hoes as my witness
                                                                The life we share is a thug affair
Baby, I'm not always there when you call, but I'm always on
                                                                But who cares, you care
And I gave you my all, now baby be mine
                                                                 [Refrão]
{\tt I'm} not always there when you call, but {\tt I'm} always on time
                                                                 Dm
And I gave you my all, now baby be mine
                                                                 Baby, I'm not always there when you call, but I'm always on
                                                                And I gave you my all, now baby be mine
Girl, get a grip, c'mon, pull it together
It's only a sun shower, we been through worse weather
                                                                                                                          Dm
                                                                I'm not always there when you call, but I'm always on time
Like the stormy nights you wrote a 'Dear Ja' letter
                                                                                     Em
                                                                And I gave you my all, now baby be mine
