

# Ashes Remain - Change My Life

Tom: Gb  
Intro: Ebm

Verse 1:

I'm still awake tonight  
Broken up inside  
I wanna run but I don't know where to go  
I'm calling Your name through the pain  
Will You turn Your face to me  
I'm crying out I need a miracle

Refrão:

If You could make the sun burn through the night  
And You could make the dead man come alive  
If You could make the oceans all run dry  
Then I know You can change my life  
I know You can change my life

Verse 2:

I wanna know who You are  
that You can fix my heart

And I don't have to run anymore  
Open my eyes let me see  
Give me hope and set me free  
Cause I don't wanna be the way I was before

Bridge:

Give me something to believe in  
Something worth fighting for  
Something that I can't ignore  
You could make the sun burn through the night  
You could make the oceans all run dry

Refrão:

If You could make the sun burn through the night  
And You could make the dead man come alive  
If You could make the oceans all run dry  
Then I know You can change my life  
I need you to change my life  
I need you to change my life
