

Ashes Remain - Change My Life

Tom: Gb
Intro: Ebm

Verse 1:

I'm still awake tonight
Broken up inside
I wanna run but I don't know where to go
I'm calling Your name through the pain
Will You turn Your face to me
I'm crying out I need a miracle

Refrão:

If You could make the sun burn through the night
And You could make the dead man come alive
If You could make the oceans all run dry
Then I know You can change my life
I know You can change my life

Verse 2:

I wanna know who You are
that You can fix my heart

And I don't have to run anymore
Open my eyes let me see
Give me hope and set me free
Cause I don't wanna be the way I was before

Bridge:

Give me something to believe in
Something worth fighting for
Something that I can't ignore
You could make the sun burn through the night
You could make the oceans all run dry

Refrão:

If You could make the sun burn through the night
And You could make the dead man come alive
If You could make the oceans all run dry
Then I know You can change my life
I need you to change my life
I need you to change my life
