Intro: Dbm E A Gbm
I don?t need a man, I need a puppy
                     Gbm
Allergic to you, every time you touch me
Emotional maturity for dummies
I don?t have the time to pretend you?re funny
I?m back and I?m better
 Α
I put the teddy bear you gave me in a blender
 Dbm
I drew a dick on all your sweatshirts
(I hate you so much right now)
             Е
Deal with it, boy you got to
I don?t want you, do what you want
Deal with it, boy you got to
I don?t want you, do what you want
Dbm E A Gbi
But just deal with it, cos I?m so over you
(Aaah)
I don?t need a man, I need a rabbit
I need a new toy just to cleanse my palette
Big bad bitch, I?m the baddest
We both know it wasn?t love
       Gbm
It was just a big bad habit
Stringing you along like a puppet
I can see the desperation
 Gbm
Got you right where I want ya
Beg for it, plead, you can suck it
(I hate you so much right now)
Acordes

( Dbm E A Gbm ) ( Dbm E A Gbm )
Find me in the ball gown
  Е
With a champagne glass
With a man on my arm
     Gbm
I don?t care what his name is
I?ve really levelled up now
I got jets on my back
  Gbm
Everything I do outrageous
You text me that you miss me
                            Gbm
I say who the fuck is this, I deleted your number
Oops, oh gee that?s a bummer
(I hate you so much right now)
Deal with it, boy you got to
I don?t want you, do what you want
Dbm
Deal with it, boy you got to
I don?t want you, do what you want
      Dbm
But just deal with it, cos I?m so over you
