Tom: F

(com acordes na forma de C)

Capostrate na 5ª casa

C
If I had a chance, I'd take it faster than a heart beat
C
If I caught a glance, I'd run to you like nobody was watching
Am
But it's so hard to get to you cause when you see the sun, I see the moon

C
Buckets of water, millions of clouds, miles of road just to get where are you
Am
Oh I wish It wasn't so far
C
Thousands of dollars just to be near
Em
Countless thoughts of you being here
Am
Oh I wish it wasn't so hard
Am
But maybe one day we can break the distance

(A Em Am G)

C
I know it's hard, for everyone to understand it
C
But you're in my heart, even though it feels like we got stranded
Am
And I wish I could get to you see face to face without a screen cutting through

C
Buckets of water, millions of clouds, miles of road just to get where are you

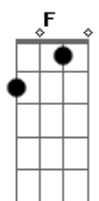

Am
Oh I wish It wasn't so far
C
Thousands of dollars just to be near
Em
Countless thoughts of you being here
Am
Oh I wish it wasn't so hard
Am
But maybe one day we can break the distance

(C Em Am G)

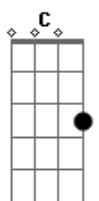

C
Clouds will you please help me out, I need to go and see them now
Am
Pick me up off my feet, I know that it's crazy, but I am ready with my suitcase by me
C
Clouds will you please help me out, I need to go and see them now
Am
Pick me up off my feet, I know that it's crazy, but I am ready with my suitcase by me
