

# Ashton Irwin - Lose You

tom:

B (forma dos acordes no tom de G )

Capostrate na 4ª casa

(Ooh, ooh, ooh, ooh)

(Ooh, ooh, ooh, ooh)

Done chasin', what a waste of my time

There's no replacin', what am I gonna vibe?

What's with me? Am I in or am I out?

Why risk it? 'Cause I know that if I

Lose you, I'd lose the best thing I've ever had

If I lose you, I know I might not make it back

If I lose you, I'd ruin the best thing I've ever had

If I lose, lose you, you

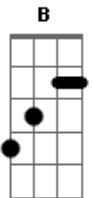

If I lose you, I'd lose the best thing I've ever had

So I choose you, don't wanna hurt your heart like that

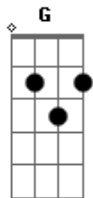

If I lose you, I'd ruin the best thing I've ever had

If I lose, lose you, you

Decisions, if I could turn into mistakes

Cause friction, so I'm pressin' on the brakes

And it's different when your heart knows it could break

Why risk it? 'Cause I know that if I

Lose you, I'd lose the best thing I've ever had

If I lose you, I know I might not make it back

If I lose you, I'd ruin the best thing I've ever had

If I lose, lose you, you

If I lose you, I'd lose the best thing I've ever had

So I choose you, don't wanna hurt your heart like that

If I lose you, I'd ruin the best thing I've ever had

If I lose, lose you, you

( G A Bm Gbm )

( G A Bm )

If I lose you, I'd lose the best thing I've ever had

If I lose you, I know I might not make it back

If I lose you, I'd ruin the best thing I've ever had
