

# Asking Alexandria - Alone In a Room

Tom: E

m [Intro] C Am Em G

 C Am Em G

I've been away, a little while, sometimes I just can't help myself

When my mind's running wild, I seem to lose grip on reality

And I try to disregard the crazy things the voices tell me to do, but it's no use

[Pré-Refrão]

I tried to own it, write songs about it  
 Believe me I tried, in the end I needed to breathe  
 Find inspiration, some kind of purpose  
 To take a second to face the shit that makes me, me

[Refrão]

All I needed was the last thing I wanted  
 To sit alone in a room and say it all out loud  
 Every moment, every second, every trespass  
 Every awful thing, every broken dream  
 A couple years back and forth with myself in a cage  
 Banging my head against the wall tryna put words on a page  
 All I needed was the last thing I wanted  
 To be alone in a room, alone in a room

I saw the world a couple times, tried to cure the ache with absence  
 But that hole was still a hole and my mind kept playing tricks on me  
 Feeling older every day, took everything I had to not crash and burn

But I'm starting to learn

[Pré-Refrão]

Sometimes I'll fall down, sometimes I'll lose hope  
 But those days will be few if I keep my feet on the ground  
 I might be lonely, but I ain't alone here

So I keep pushing the limits of what makes me

[Refrão]

All I needed was the last thing I wanted  
 To sit alone in a room and say it all out loud  
 Every moment, every second, every trespass  
 Every awful thing, every broken dream  
 A couple years back and forth with myself in a cage  
 Banging my head against the wall tryna put words on a page  
 All I needed was the last thing I wanted  
 To be alone in a room, alone in a room  
 (Alone, alone, alone, alone, alone, alone, alone, alone)  
 (Alone, alone, alone, alone, 'lone, 'lone, 'lone, 'lone)  
 (Lo-lo-lo-lo-lo-lo-lo-lo-lone)  
 ( C Am Em D )  
 ( C Am Em )

[Ponte]

I can be better than I was  
 I can be better than I am  
 All I needed was the last thing I wanted  
 To sit alone in a room

[Refrão]

All I needed was the last thing I wanted  
 To sit alone in a room and say it all out loud  
 Every moment, every second, every trespass  
 Every awful thing, every broken dream  
 A couple years back and forth with myself in a cage  
 Banging my head against the wall tryna put words on a page  
 All I needed was the last thing I wanted  
 To be alone in a room, alone in a room
