Intro: G C Em D

G C Em D

[Verse 1]

A stranger to most, but everyone knows his name

The city he wakes up in is never the same , never the same

It gets hard to count the days with only stars to lead the way

And in his heart of gold he knows this has to change

[Prechorus]

Whoa-oh-oh
Whoa-oh-oh-oh

[Chorus]

So send me home, I have lost my way
And I don't even know if we'll make it through today

Take another step, take another breath

I fill my lungs with deepest regrets
And I don't know if I'll make it home again

[Verse 2]

It gets a little harder day by day
The loneliness is swallowing me

I listen to the silence to hear what it might say, hear what it might say

Who will pick me up again?
I need you here, I need a friend

We'll get lost on time that's stolen

So take my hand and send me home

[Chorus]

So send me home, I have lost my way
And I don't even know if we'll make it through today

Take another step, take another breath

I fill my lungs with deepest regrets
And I don't know if I'll make it home again

[Bridge]

Take, take, take all that I've got, got, got
All I need is one more moment

I just have to end this torment

Take, take, take all that I've got

We'll get lost on time that's stolen

Take my hand and lead me home again

[Break]

Whoa-oh-oh
Whoa-oh-oh-oh

Whoa-oh-oh

Whoa-oh-oh-oh

Naananana, Naananana, Naananana, Naananana

Naananana, Naananana, Naananana, Naananana

[Chorus]

So send me home, I have lost my way
And I don't even know if we'll make it through today

Take another step, take another breath

I fill my lungs with deepest regrets
And I don't know if I'll make it home again
