

# Asking Alexandria - Vultures

Tom: E

**Dbm**  
 Close the curtains, cash me in  
**Dbm**  
 Gather photographs of the Devil you let in  
**E**  
 Digging deep inside my soul  
  
**E** **Dbm**  
 I don't know where to turn  
  
**Dbm**  
 Everywhere I look these vultures burn the life right outta me  
**Dbm**  
 Do I run or lay down and die?  
**Dbm** **E** **Dbm**  
 Is it time to close my eyes?

**Dbm**  
 Keep me numb, I'll follow direction  
**Dbm**  
 A pawn to pass around and be bled until I'm dry  
**Dbm**  
 It's hard to see what's underneath

**Dbm** **A** **Dbm**  
 Is it me? Where do I turn?  
  
**Dbm**  
 Everywhere I look these vultures burn the life right outta me  
**Dbm**  
 Do I run or lay down and die?  
**Dbm** **E** **Dbm**

Is it time to close my eyes?  
  
**Dbm** **A**  
 For so long all I've known  
**Cdim**  
 All I've seen's green lights  
  
**Dbm**  
 Fuck your greed, all I need's somewhere to catch my breath  
**Cm**  
 Rest my head and ease my mind  
  
**Dbm** **Cm**  
 I've been holding on but my grip ain't what it used to be  
**Dbm**  
 I'm much older, I'm bitter, I'm jaded, I'm lost  
**Cm**  
 Can somebody give me a sign?  
  
**Dbm**  
 Where do I turn?  
  
**Dbm**  
 Everywhere I look these vultures burn the life right outta me  
**Dbm** **E**  
 Do I run or lay down and die?  
**Dbm** **E**  
 Is it time to close my eyes?  
**Dbm**  
 Where do I turn?  
  
**Dbm**  
 Everywhere I look these vultures burn the life right outta me  
**Dbm** **E**  
 Do I run or lay down and die?  
**Dbm** **E**  
 Is it time to close my eyes?
