

Asking Alexandria - Vultures

Tom: E

Close the curtains, cash me in
 Gather photographs of the Devil you let in
 Digging deep inside my soul
 I don't know where to turn
 Everywhere I look these vultures burn the life right outta me
 Do I run or lay down and die?
 Is it time to close my eyes?

Keep me numb, I'll follow direction
 A pawn to pass around and be bled until I'm dry
 It's hard to see what's underneath
 Is it me? Where do I turn?
 Everywhere I look these vultures burn the life right outta me
 Do I run or lay down and die?

Is it time to close my eyes?
 For so long all I've known
 All I've seen's green lights
 Fuck your greed, all I need's somewhere to catch my breath
 Rest my head and ease my mind
 I've been holding on but my grip ain't what it used to be
 I'm much older, I'm bitter, I'm jaded, I'm lost
 Can somebody give me a sign?
 Where do I turn?
 Everywhere I look these vultures burn the life right outta me
 Do I run or lay down and die?
 Is it time to close my eyes?
 Where do I turn?
 Everywhere I look these vultures burn the life right outta me
 Do I run or lay down and die?
 Is it time to close my eyes?
