

Askjell - To Be Loved

tom:

A

[Primeira Parte]

A
Waking up thinking of
What it is to be loved
(To be loved, to be loved)
Should I know

On my own, on a road
What it is to be loved
(To be loved, to be loved)

[Segunda Parte]

A
You touched my skin
So warm and time is cold
And trust me I would know
In my heart I'm the half of a whole
And it's making me feel so alone

A
Waking up thinking of
What it is to be loved
(To be loved, to be loved)
(Gbm A Bm)

[Pré-Refrão]

Gbm
I tell myself I have to build defenses
'Cause once you are in love

You are defenseless
Everything was easy

When it meant less
But once you are in love

You are defenseless

[Refrão]

D
Nobody knows me, nobody knows me
I'm never lonely
Until someone holds me

And it goes just to show me
How it's like to be loved
How it's like to be loved
How it's like to be loved
I take flight but you hold me
Is that how you show me
How it's like to be loved?
How it's like to be loved
(Gbm D)

[Ponte]

D
Loved, loved, loved
Loved, loved, loved
Loved, loved, loved
Loved, loved, loved
'Cause nobody shows me
Nobody shows me

[Refrão]

D
How it's like to be loved
How it's like to be loved
I take flight but you hold me
Is that how you show me
How it's like to be loved?
How it's like to be loved

(Gbm D Bm G)
(Em G D Eb7M)

[Terceira Parte]

Fm
I tell myself I have to build defenses
'Cause once I am in love I'll be
Once I am in love I'll be defenseless
Defenseless
Once I am in love I'll be defenseless
