

# Astrid S - Hurts So Good

tom:

Intro: D Gbm A E

[Primeira Parte]

You're fighting me off like a firefighter  
 So tell me why you still get burned  
 You say you're not, but you're still a liar  
 Cause I'm the one that you run to first every time

[Pré-Refrão]

Yeah, why do you try to deny it  
 When you show up every night  
 And tell me that you want me but it's complicated, so complicated

[Refrão]

When it hurts, but it hurts so good  
 Do you take it? Do you break it off  
 When it hurts, but it hurts so good  
 Can you say it, can you say it?  
 Your love is like  
 Your love is like  
 It hurts so good  
 Your love is like  
 It hurts so good

[Segunda Parte]

Every time that I swear it's over  
 It makes you want me even more  
 You pull away and I come in closer  
 And all we ever stay is torn

[Pré-Refrão]

Baby, I don't know why I try to deny it

## Acordes

When you show up every night  
 I tell you that I want you but it's complicated, so complicated

[Refrão]

When it hurts, but it hurts so good  
 Do you take it? Do you break it off  
 When it hurts, but it hurts so good  
 Can you say it, can you say it?  
 Your love is like  
 Your love is like  
 It hurts so good  
 Your love is like  
 It hurts so good

[Ponte]

Wide awake through the daylight  
 Will you hold me like we're running a yellow light?  
 Reach for you with my hands tied  
 Are we dancing like we're burning in paradise?

[Refrão]

When it hurts, but it hurts so good  
 Do you take it? Do you break it off  
 When it hurts, but it hurts so good  
 Can you say it, can you say it?  
 Your love is like  
 Your love is like  
 It hurts so good  
 Your love is like  
 It hurts so good
