```
tom:
Intro: D Gbm A E
[Primeira Parte]
You're fighting me off like a firefighter
                           Е
So tell me why you still get burned
You say you're not, but you're still a liar
Cause I'm the one that you run to first every time
[Pré-Refrão]
     D
            Gbm
Yeah, why do you try to deny it
When you show up every night
          Gbm
And tell me that you want me but it's complicated, so
complicated
[Refrão]
        D
When it hurts, but it hurts so good
Do you take it? Do you break it off
                     Gbm
When it hurts, but it hurts so good
Can you say it, can you say it?
                 D Gbm
Your love is like
Your love is like
           D Gbm
It hurts so good
Your love is like
            D
It hurts so good
[Segunda Parte]
Every time that I swear it's over
It makes you want me even more
You pull away and I come in closer
And all we ever stay is torn
[Pré-Refrão]
                     Gbm
Baby, I don't know why I try to deny it

Wide awake through the daylight
Will you hold me like we're running a yellow light?
Reach for you with my hands tied
Are we dancing like we're burning in paradise?
