

# Astrid S - I Don't Know Why

tom:  
B (forma dos acordes no tom de G )  
Capostrate na 4ª casa

Following a feeling  
Got no reason I should show up  
Here tonight, here tonight  
And I'm hoping for a signal  
But I'll settle for your body  
In my mind, in my mind

Starts as innocent  
But moves so quickly, so quickly  
Yeah, when you look at me  
I must be dreaming

Oh, I don't know why, no, I don't know why  
The room keeps shaking  
Put your arms around me and the walls start breaking  
Tell me that you found me and my world starts changing  
I see it all in my mind  
Oh, I don't know why, no, I don't know why  
The floor keeps spinning  
Whisper in my ear that I'm the one you needed  
Touch me like I've never even felt this feeling  
Baby, I wish you were mine  
Oh, I don't know why, no, I don't know why

Started as a fantasy  
But I found it so hard to  
Push it down, push it down  
How at any given moment  
I would say your name so I could  
Hear the sound, hear the sound

Starts as innocent

But moves so quickly, so quickly  
Yeah, when you look at me  
I must be dreaming

Oh, I don't know why, no, I don't know why  
The room keeps shaking  
Put your arms around me and the walls start breaking  
Tell me that you found me and my world starts changing  
I see it all in my mind  
Oh, I don't know why, no, I don't know why  
The floor keeps spinning  
Whisper in my ear that I'm the one you needed  
Touch me like I've never even felt this feeling  
Baby, I wish you were mine  
Oh, I don't know why, no, I don't know why

Starts as innocent  
But moves so quickly, so quickly  
Yeah, when you look at me  
I must be dreaming

Oh, I don't know why, no, I don't know why  
The room keeps shaking  
Put your arms around me and the walls start breaking  
Tell me that you found me and my world starts changing  
I see it all in my mind  
Oh, I don't know why, no, I don't know why  
The floor keeps spinning  
Whisper in my ear that I'm the one you needed  
Touch me like I've never even felt this feeling  
Baby, I wish you were mine  
Oh, I don't know why, no, I don't know why

Oh, I don't know, I don't know  
Oh, I don't know why, no, I don't know why  
Oh, I don't know, I don't know  
Oh, I don't know why, no, I don't know why
