

Astrid S - I Don't Know Why

tom:
 B (forma dos acordes no tom de G)
 Capostraste na 4ª casa

Following a feeling
 Got no reason I should show up
 Here tonight, here tonight
 And I'm hoping for a signal
 But I'll settle for your body
 In my mind, in my mind

Starts as innocent
 But moves so quickly, so quickly
 Yeah, when you look at me
 I must be dreaming

Oh, I don't know why, no, I don't know why
 The room keeps shaking
 Put your arms around me and the walls start breaking
 Tell me that you found me and my world starts changing
 I see it all in my mind
 Oh, I don't know why, no, I don't know why
 The floor keeps spinning
 Whisper in my ear that I'm the one you needed
 Touch me like I've never even felt this feeling
 Baby, I wish you were mine
 Oh, I don't know why, no, I don't know why

Started as a fantasy
 But I found it so hard to
 Push it down, push it down
 How at any given moment
 I would say your name so I could
 Hear the sound, hear the sound

Starts as innocent

But moves so quickly, so quickly
 Yeah, when you look at me
 I must be dreaming

Oh, I don't know why, no, I don't know why
 The room keeps shaking
 Put your arms around me and the walls start breaking
 Tell me that you found me and my world starts changing
 I see it all in my mind
 Oh, I don't know why, no, I don't know why
 The floor keeps spinning
 Whisper in my ear that I'm the one you needed
 Touch me like I've never even felt this feeling
 Baby, I wish you were mine
 Oh, I don't know why, no, I don't know why

Starts as innocent
 But moves so quickly, so quickly
 Yeah, when you look at me
 I must be dreaming

Oh, I don't know why, no, I don't know why
 The room keeps shaking
 Put your arms around me and the walls start breaking
 Tell me that you found me and my world starts changing
 I see it all in my mind
 Oh, I don't know why, no, I don't know why
 The floor keeps spinning
 Whisper in my ear that I'm the one you needed
 Touch me like I've never even felt this feeling
 Baby, I wish you were mine
 Oh, I don't know why, no, I don't know why

Oh, I don't know, I don't know
 Oh, I don't know why, no, I don't know why
 Oh, I don't know, I don't know
 Oh, I don't know why, no, I don't know why
